

“Field Of Dreams” Entry Form

The Glens Falls Golden Eagles of the Perfect Game Collegiate Baseball League want to get your Youth Sports Team on the Field with our Team. Through the “Field of Dreams” team program, your team can go on the field before a Golden Eagles game for the National Anthem. Each member of the nightly Field of Dreams team is introduced individually with a member of that night’s starting line-up. The kids stand with the athletes on the field for the playing of the National Anthem. After the Anthem has been concluded, the kids run to the edge of the field for a group photo. The photo will be placed on the website for each member of the Dream Team to download off to their computer at home as a keepsake from the game. Players and Coaches get into the game at no charge. Family and Friends receive general admission tickets for only\$2.00 (half price).
