

## **Golden Eagles Announce Opening-Day Festivities, Parade**

**Glens Falls, N.Y.-** The Glens Falls Golden Eagles of the New York Collegiate Baseball League (NYCBL) have announced their opening day parade along with other festivities for their home opener against the Bennington Bombers on Sunday, June 10. The parade's theme is, appropriately, "Batter Up."

The Opening-Day Parade is slated to start at 1:30 pm on Sunday at the corner of Washington Street and Ridge Street. The parade's route will follow Ridge Street to Dix Avenue right to East Field. The parade will commence at approximately 2:30 pm at East Field, where entertainment will be provided for the whole family until the gates open for the game at 4:00 pm. Bounce Around Bounce Houses will be providing inflatable entertainment play areas.

Various area organizations will be participating in the event with either floats or commercial vehicles in the parade displaying their logo and name or areas set up at the field prior to the game. Little leagues from around the area also promise to be prominently involved along with other groups expected to just show up at the event, according to Booster Club treasurer Dick Humphrey. Any little leaguer in uniform will receive free admission, and area little leagues are encouraged to come as a group and participate in the opening night ceremonies.
